

# The Best Hair Tools for \$50 & Under!

GET SALON-WORTHY RESULTS WITHOUT BREAKING THE BANK

## Hot Brush

One part blow dryer and one part large round brush, this easy-to-use tool cuts down on styling time.

**Revlon Pro Collection One-Step Hair Dryer and Volumizer, \$50;** walmart.com

## Straightener

The high-tech iron has three heat settings, based on how recently you shampooed.

**Bed Head Morning After Straightener, \$35;** ulta.com

## Blow-Dryer

This promises to dry hair 40 percent faster than other dryers.

**Hot Tools Signature Series Ionic Turbo Hair Dryer, \$50;** amazon.com

## Multiuse Styler

The innovative twisted plates can create straight, wavy or curly styles, eliminating the need for an arsenal of tools.

**Remington Pro 1" Multi-Styler with Twist & Curl Technology, \$35;** walmart.com

## Curling Iron

Developed with the help of the pros at Glamsquad, an at-home beauty service, this 1" iron heats up to 400° in 30 seconds.

**GSQ by Glamsquad Titanium Curling Iron, \$40;** cvs.com

## Edge Tamer

This pint-size iron smooths baby hairs (and hard-to-reach roots) without burning your skin.

**Drybar Tiny Tress Press, \$49;** thedrybar.com

## Heat Styling Hacks!

**Dry Faster**  
Before blow-drying, wrap hair in a microfiber towel to soak up excess water and reduce frizz.  
**Kitsch Microfiber Hair Towel, \$23;** mykitsch.com

**Protect Better**  
Formulated with honey to condition hair, this thermal spray prevents heat damage.  
**Bumble and bumble Glow Thermal Protection Mist, \$32;** bumbleandbumble.com

**Set Perfectly**  
A stylist favorite, these genius clips hold hair in place without creating a dent.  
**Harry Josh Pro Tools Makeup & Wave Setting Clips, \$18 for 6;** dermstore.com
